

LD Associates have been helping clients to develop their staff for over 20 years. We pride ourselves in offering a first class service tailored to meet your needs.

We have experience of working with companies in the UK, Central Europe, Eire, Asia and North America

Our qualified professional staff are always willing to spend time with you to understand your business and specific needs. We then seek to be flexible in planning and delivering training or coaching with which you are completely happy.

Whether group training or individual coaching/mentoring is your requirement, you can be confident of a professional and personal service that results in real performance improvements.

We are recognised by the Institute of Leadership and Management (ILM) as an approved training centre. The ILM is Europe's largest awarding body for leadership and management qualifications

## Ways our clients have benefited:

### Training

- Developing credible leaders
- Managing for improved performance
- Delivering powerful presentations and communications
- Ensuring projects are successfully delivered to plan
- Building personal professional skills
